In re Application of :  
Victor I. Chomensky :  
Application No. 10/010,911 : DECISION ON PETITION  
Filed: 20 November, 2001 :  
Atty Docket No. P775 CON 3 :

This is a decision on the petition filed on 10 May, 2005  
(certificate of mailing date 13 July, 2004), under 37 CFR  
1.137(b)<sup>1</sup>, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be  
submitted within TWO (2) MONTHS from the mail date of this  
decision. Extensions of time under 37 CFR 1.136(a) are  
permitted. The reconsideration request should include a cover

<sup>1</sup>Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that  
where the delay in reply was unintentional, a petition may be filed to revive an  
abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable  
petition filed under the provisions of 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a nonprovisional  
application abandoned for failure to prosecute, the required reply may be met by the  
filing of a continuing application. In an application or patent, abandoned or lapsed  
for failure to pay the issue fee or any portion thereof, the required reply must be  
the payment of the issue fee or any outstanding balance thereof.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due  
date for the reply until the filing of a grantable petition pursuant to 37 CFR  
1.137(b) was unintentional. The Commissioner may require additional information where  
there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required  
pursuant to 37 CFR 1.137(c)).

letter entitled "Renewed Petition Under 37 CFR 1.137(b)." This is not a final agency decision.

The application became abandoned on 5 December, 2003, for failure to timely file a response to the Notice of Non-Compliant Amendment mailed on 4 November, 2003, which set a one (1) month shortened period for reply. No extensions of the time for reply in accordance with 37 CFR 1.136(a) were obtained. Notice of Abandonment was mailed on 14 June, 2004.

A review of Office financial records reveals that the deposit account for which authorization is provided, No. 50-2090, contains a balance of \$0.00. Therefore the Office cannot charge the required petition fee.

In the absence of the petition fee, which is required by law, the PTO can only treat the instant petition as a (feeless 1.181) petition to withdraw the holding of abandonment. As petitioner has not asserted any grounds for the withdraw of the holding of abandonment, the petition must be dismissed. The PTO will not reach the merits of any petition under 37 CFR 1.137 lacking the requisite petition fee.<sup>2</sup>

Any renewed petition should include payment of the petition fee.

The address listed on the petition is different than the correspondence address of record. A courtesy copy of this decision is being mailed to the address noted on the petition. However, until otherwise instructed, all future correspondence regarding this application will be mailed solely to the address of record.
